ASSESSMENT OF LEARNING:
Process Map

START HERE:
Identify Program Student Learning Outcomes (PSLOs)

Is there an updated **CURRICULUM MAP** that aligns courses with PSLOs?

No → Create/update your **CURRICULUM MAP**

Yes → Does the program have a current ASSESSMENT PLAN for assessing **all** PSLOs?

No → **Create or Update ASSESSMENT PLAN**

For each PSLOs, identify 2 measures of student learning, including at least one direct measure (e.g., exam items, rubric items, internship evaluation, etc.). Create a schedule that indicates in which years you will assess each PSLO.

Yes → Identify courses and learning activities that align with the PSLOs the program is focusing on currently for continuous improvement.

Provide learning activities

Assess PSLOs

Collect data to create the identified **Measures.**

Aggregate and analyze data

Share and discuss results with faculty

Prepare the annual **ASSESSMENT OF LEARNING REPORT**

Report results annually

Every 3 years, discuss and interpret data trends and impact of strategies for improvement

Submit REPORT
A report submission form will be sent to program coordinators in August

Report Due in March

The Assessment Office and Peer Reviewers will review and provide feedback on all reports; in some cases a resubmission may be needed

Update ASSESSMENT PLAN
for the next academic year, as needed

Please use the feedback sent by the Assessment Office, if applicable

The Assessment of Learning website provides additional resources to support your assessment efforts. Please contact the Assessment Office at assessment@kennesaw.edu if you have any questions or you would like to schedule a consultation. Thank you for your commitment to continuous improvement at KSU.
