Feedback on Improvement Report

Unit: _____________________________

Date of Review:

Assessment Team Reviewer:

The following template(s) were required based on the Cohort Schedule:

- Results
- Interpretation and Trends / Strategy for Improvement

Overall Rating:

- Meets Improve KSU requirements
- Can be improved with suggested revisions
- Components missing or needs major revision

Criteria:

- Results are described for each outcome.
- Results are described clearly and succinctly.
- Supplemental aggregated data or pre-existing reports are attached, if applicable.
- Interpretations are clear and succinct (if required for cohort).
- Trends in data from previous years are described (if required for cohort).
- Improvements are verified with data (if required for cohort).
- Strategies for improvement are described for each outcome (if required for cohort).
- At least one strategy for improvement relates to the outcome, as opposed to the assessment process (if required for cohort).
- Strategies are described clearly with sufficient detail (if required for cohort).
