Discussion Topic

Double Owls Pathway- Anissa Vega

Information shared by Anissa Vega.

If you go to the CIA website, you'll see "Double Owls" in the left-hand menu. This is a program or initiative that mimics what UGA has in their "Double Dog" program – it allows students to double count 9 graduate hours that they take during their undergraduate studies at KSU. We have a guidebook that helps faculty develop a "Double Owl" pathway. This Friday (October 23), Anissa will be hosting some office hours to answer questions regarding what kinds of courses might suit this program best. Kris DuRocher shared the guide in the chat.

Please share this information with your units and your colleges.

Michelle pointed out that these proposals don't necessarily come through UPCC – they get reviewed by department chairs, Deans, and AVP & Academic Affairs.

Update on Policy on Cross Listing and Cross Leveling

Policy was presented to Faculty Senate and was rejected.

Back to the drawing board. The UPCC & GPCC Executive Committees will meet to review and amend the policy to try to improve it to re-submit to Faculty senate.
