Do I Need to Import Data?

- Are you making a change to a course/program?
  - YES
    - Is this a Batch Change to Existing Courses v1.0 proposal?
      - NO
        - Importing Data IS Required
      - YES
        - Importing Data is NOT Required
  - NO

This is because new program and course proposals do not have an import function.
