Program:	Human Services, BS

Program Student Learning Outcomes

The B.S. in Human Services is accredited by the [Council for Standards in Human Services Education \(CSHSE\)](#). The curriculum follows CSHSE's core competency standards that, when met, allow the HS major to:

- Explain the historical development of human services (CSHSE Standard 11).
- Utilize the knowledge and theory of the interaction of human systems, including individual, interpersonal, group, family, organizational, community, and societal (CSHSE Standard 12).
- Address the scope of conditions that promote or inhibit human functioning (CSHSE Standard 13).
- Apply information management skills in a human service setting (CSHSE Standard 14).
- Make use of knowledge and skills in the systematic analysis of service needs by planning appropriate strategies and services, and implementing and evaluating outcomes (CSHSE Standard 15)
- Select appropriate interventions in service delivery (CSHSE Standard 16).
- Use practical interpersonal skills when interacting with others (CSHSE Standard 17).
- Utilize administrative, leadership, and management knowledge, theory, and skills to deliver human services and manage organizations (CSHSE Standard 18).
- Incorporate human service values and attitudes and promote understanding of human service ethics and their application to practice (CSHSE Standard 19).
- Develop awareness of one's values, personalities, reaction patterns, interpersonal styles, and limitations (CSHSE Standard 20).
- Effectively apply human services core competencies in human service settings (through a field/internship experience) (CSHSE Standard 21).
