

**Program Information**

<b>College:</b>	WellStar College of Health and Human Services
<b>Department:</b>	Social Work and Human Services – Graduate
<b>Program:</b>	Social Entrepreneurship, Certificate

**Program Student Learning Outcomes**

Upon completion of this degree from KSU, students will be able to:

1. Apply, analyze, and synthesize social entrepreneurship, intrapreneurship, and innovation concepts, perspectives, frameworks, and skills to address societal, health and environmental challenges.
2. Analyze market driven problems worth solving and conduct advanced idea iteration while utilizing process tools.
3. Examine the perspectives of multiple stakeholders to evaluate if the entrepreneurial idea feasibly addresses social problems.
