**Program Student Learning Outcomes**

Upon completion of this degree from KSU, students will be able to:

1. Analyze a nonprofit organization in terms of its mission, vision, goals, organizational structure, operating policies, scope of influence, and impact.
2. Demonstrate effective communication characterized by written work that is clear, organized, succinct, and exhibits depth of analysis and synthesis, along with accuracy in mechanics and documentation.
3. Develop and enhance leadership skills by taking initiative, communicating objectives, building agreements, and motivating team members to perform when working on collaborative projects.
4. Demonstrate a solid understanding of core nonprofit management principles in the primary areas of nonprofit management, including general management strategies, advocacy and governance, and human resource management.
